Employment History

Self Employed Computer Assembly Expert

JANUARY 2016 — PRESENT

I specialize in creating custom-built PCs tailored to each client's needs, ensuring performance and reliability. My services include component consultation and selection, precise assembly, and ongoing troubleshooting support.

Sales and Inventory Specialist, Buckhead's Best Distributor of Fine Liquors, Atlanta

MAY 2021 — MARCH 2023

Managed sales, inventory, and contributed to marketing and business strategies, leveraging my analytical and communication skills.

Software Engineering Intern, First Data/Fiserv, Marietta

JUNE 2018 — AUGUST 2018

Engaged in a 10-week internship under the CTO, gaining insights into software engineering practices and the financial services industry. Gained exposure to SQL, AWS, and Scrum. Awarded first place in a 4-week Amazon software development competition as one of two high school students among Georgia Tech participants.
